Auma India Quarterly Newsletter (Jan ~ Mar, 2013)

Greetings to the readers of Infaumation

Auma India thanks you for your business in 2012. It has been a pleasure helping you reach your goals. We are grateful for customers like you, who make our work satisfying and enjoyable. We look forward to working with you in 2013 and contributing to your success. We wish you a prosperous and happy new year!

Auma India Ex-proof Actuators for IOCL - UPRSO Marketing Terminals

Auma India is supplying explosion proof actuators (81 nos.) with 2-wire MODBUS protocol to Honeywell Automation India Limited (HAIL) for automation of various IOCL marketing terminals under Uttar Pradesh Regional State Office (UPRSO). These actuators will be directly connected to the Honeywell's PLC at site. HAIL along with Auma India will be automating all the existing manually operated valves under this R&M job.

Auma India to provide Ex-Proof Actuators with Fieldbus for IOCL Terminals

Auma India has bagged orders for supplying explosion proof actuators (546 nos.) with Fieldbus Protocol for the automation of various Indian Oil Corporation Ltd. (IOCL) terminals. Auma India's scope of work consists of commissioning of actuators for the automation of both existing and new valves. Earlier, Auma India has carried out similar work for HPCL and BPCL terminals.

Auma India Actuators @ HPCL Loni Marketing Terminal

Auma India ex-proof Actuators selected for ISPRL - Crude Oil Storage at Padur

Indian Strategic Petroleum Reserves Limited (ISPRL) is constructing underground-unlined rock cavern storage for imported crude oil at Padur, Karnataka for approximately 2.5 MMT. Engineers India limited (EIL), Project Management Consultant has selected Auma India to supply explosion proof actuators (99 nos.) with MODBUS protocol.

Scope of work for Auma India consists of supplying Auma India Master Station (AIMS) with the facility of serial and parallel communication, Marshalling Cabinet to mount AIMS and commissioning actuators at site.

Auma India awarded with National Energy Conservation Award 2012

Auma India was recently awarded “**Certificate of Merit**” National Energy Conservation Award – 2012 in the General Category for its achievements in the domain of energy conservation. This certificate of Merit was given to the establishments who have made systematic and serious attempts for efficient utilization and conservation of energy during the year 2011-12. Auma India is one of the three companies to win this prestigious award in General Category.

Auma India assessed the energy consumption by conducting energy audits for few years and then took various actions such as:

- Installation of solar powered LED lights in the premises
- T5 lights in new production building
- LED lights for corporate office
- VRV air conditioning system for corporate office
- Timer control for air washer unit
- Polycarbonate sheets roofing for natural lighting

These efforts resulted in the energy saving of 4.99 lakh kwh for the year 2011-12.

Glimpses of Auma's New Facility

3D Models of Auma India Weather Proof Actuators are now available on www.auma.co.in

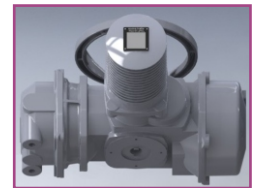

In today's competitive market, it is essential to equip our customers with all the necessary inputs / informations to be their first choice while making a decision. In addition to already available information on our products, we have recently added 3D solid models for weather proof electric actuators on our website. 3D models of other Auma India products are under preparation and would be made available for download in near future. These 3D models are available for both Norm and Integral Starter (Epac) actuators in universal STEP format. Other format like IGES can be provided on request.

Customer's Benefit

- Better Visualization of Auma India product
- Clear information on actuator's outer dimensions
- Integration of actuator 3D models with valves to check for any suitable orientation
- Integration of actuators 3D models with their own products to check space requirement for mounting actuators

SA/SAR actuator with screw type terminals

SA/SAR actuator with plug-in type terminals

SA/SAR+Epac actuator with plug-in type terminals

SA/SAR+Epac actuator with screw type terminals

Customers can download 3D solid models from the links given below:

Workshop on Auma Products conducted by Auma India Service team @ CGPL-Mundra, HZL-Chittorgarh & Adani Power-Tirora

A 2 day workshop on Auma products was conducted by the Service Team at Coastal Gujarat Power Limited (CGPL)-Mundra (15 participants), Hindustan Zinc Limited (HZL)-Chittorgarh (23 participants) and Adani Power Maharashtra Limited-Tirora (27 participants) in last quarter. Training sessions included theoretical aspects and practical training on Auma products. Training programme was also designed to talk about Do's and Don't's, Commissioning and Troubleshooting tips of electric actuators.

Auma India @ CII Valves Conference 2012

Auma India was one of the co-sponsors for the Valves Conference 2012 organized by Confederation of Indian Industry (CII) - Valves & Actuators Division, which was held at Hotel Lalit, Mumbai on 11 Dec 2012.

Welcome address to the audience was given by our Managing Director Mr. Arvind K. Goel, who is also the Chairman of CII-Valves and Actuators Division. Mr. Maurizio Brancaleoni, MD-Auma Italiana, President of AVR, Italian Association for Valves & Actuators and Past President - CEIR gave a special address at the conference.

Mr. Balachandra M N, Vice President- Marketing, Auma India, presented a paper on "Trends in Valve Automation" highlighting evolving technologies in actuators.
